PROCUREMENT DIVISION WEEKLY REPORT FOR

PERIOD ENDING 28 March 1984

1. Progress Report of Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest That Have Occurred During the Preceding Week:

c. Installation of Headquarter's Barricades: Production & Services Contracts Branch (P&SCB/PD/OL) has received a request from Office of Security (OS) to contract for installation of the hydraulic barricade system at the headquarters compound. Delta Scientific Corporation, the original equipment manufacturer, has agreed to perform the installation and will submit a cost proposal as soon as they receive architectural drawing's from the Architectural Design Staff. After an agreement has been reached, Contractor estimates it will be thirty (30) days before work can be initiated due to the heavy workload of the installation team.

25X1 d. Systems Furniture Procurement for National Photographic Interpretation Center (NPIC): Production & Services Contracts Branch (P&SCB/PD/OL) has had two preliminary planning meetings with NPIC personnel for the purpose of developing an Request for Proposal (RFP) package for a major system furniture acquisition. It is anticipated that a requirements contract will be awarded for an estimated 760 workstations totaling approximately 2.8 million dollars. [REDACTED]

25X1 e. Domestic Relocation Services: Production & Services Contracts Branch (P&SCB/PD/OL) attended a meeting with representatives of the Office of Personnel (OP) regarding recent statutory changes in employee entitlements for domestic relocation expenses. Implementation of these changes will involve competitive award of a contract for relocation management services, and OP is preparing a work statement to contract out for technical assistance in preparing the requirements document for use in this competition. Significant cover and security issues must be resolved before an Request for Proposal (RFP) for these management services can be released. [REDACTED]
